***Choose your fee.** When you are considering taking a class or workshop with me, I ask that you look at paying the full fee if you can. This allows me to sustain my work and it brings more power to my teaching and to the group. At the same time, I do not want to exclude those who are drawn to this work but find the full fee unmanageable. If this is your case, feel free to offer a fee that is right for you, your circumstances, and the value this work holds for you. I will let you know if I am unable to accept your offer. Thank you, and welcome!

****Add-on for one-on-one work.** Supplement the group program with personal one-on-one healing or processing of the work. 5 sessions for \$300 or 3 sessions for \$180.

Thank you!
